

EDUCATION

University of Massachusetts Lowell

Second-year Computer Science PhD student, current GPA of 4.0/4.0.

Lowell, Massachusetts, United States of America

Jan 2024 –

Federal University of Mato Grosso (UFMT)

Bachelor in Computer Science with a GPA of 3.62/4.0 (8.84/10.0).

Cuiabá, Mato Grosso, Brazil

Jun 2017 – Oct 2021

RESEARCH EXPERIENCE

Graduate Research Assistant

University of Massachusetts Lowell

2024 –

Lowell, Massachusetts, United States of America

- I worked with Professor Paul Downen on CoPy: A Python language extension that enables a declarative approach to object-oriented programming through copatterns.

Undergraduate Research Assistant

Federal University of Mato Grosso

2020 – 2021

Cuiabá, Mato Grosso, Brazil

- I performed an experiment to evaluate the performance of data augmentation methods in the context of bird calls.

Research Assistant

Federal University of Mato Grosso

2020 – 2021

Cuiabá, Mato Grosso, Brazil

- I assisted in the creation of the RSDD, a dataset containing satellite data about deforestation in Mato Grosso.

TEACHING EXPERIENCE

Undergraduate Teaching Assistant

Federal University of Mato Grosso

2018 – 2021

Cuiabá, Mato Grosso, Brazil

- I assisted in the following courses: Discrete Mathematics, Data Structures, Theory of Computation, Algorithms, and Compilers.
- I created problem sets and hosted recitations and office hours.

PROFESSIONAL EXPERIENCE

Software Engineer

Acerto

2021 – 2022

Remote – Belo Horizonte, Minas Gerais, Brazil

- I developed, designed, and maintained a diversity of systems for a company that operates in the debt collection market.

Software Engineer Intern

NUTI-IC

2021 – 2021

Cuiabá, Mato Grosso, Brazil

- I developed and maintained a system that manages the reports of POLITEC-MT, a state department that is responsible for providing services requiring forensic skills.

Software Engineer Intern

NUTI-IC

2018 – 2020

Cuiabá, Mato Grosso, Brazil

- I developed and maintained a system that manages the health surveillance data and the dashboards of public health indicators for the Mato Grosso State Health Department.
